

6 Business Headaches (continued)

Headache #3 - Exit Strategy

You are at a Crossroads!

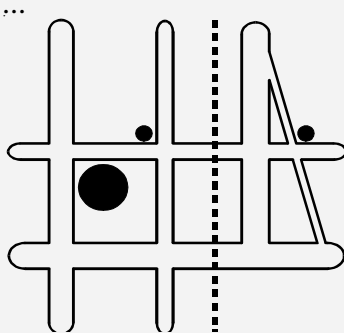

- Your business is operating close to capacity.
- Where do you take it from here?
- You want to retire in 5-10 years.

How DO you develop an Exit Strategy?

Your Business Advisor, LLC will guide you through the process and help you:

- ... **establish a destination** - where you want your business to be in 5 years
- ... **compare alternative routes** for getting there
- ... **develop a road map** or action plan-- who, what, when and how.
